Dear Mike and Debbie

Re: Base Civil Subcontractor Prequalification 2022-24

Thank you for supplying the requested documentation for the purposes of HSE Pre-qualification.

I am pleased to advise that Lawn and Turf has been assessed and accepted as an approved subcontractor to Base Civil Limited. Please be aware that as part of our ongoing QSE Management processes, work activities carried out by Lawn and Turf may be subject to review or audits by Base Civil Limited during the performance of the contracted work.

As there will be overlapping duties on any contract for which you may be engaged by Base Civil Limited, please expect us to communicate with you openly and regularly with a view to safe management of the worksite and the workers.

We may contact you for updated information such as renewed insurances certificates as required.

Please don't hesitate to contact me should you have any questions or comments.

Kind Regards

Karen Cressy QSE Manager
